After completing approximately 24 credit hours of Jump Start courses, you enroll in NCCC, which offers fall, spring, summer, between semester, and on-line course opportunities designed to complete your degree.

Courses are offered to fulfill all of the AA and AS degree requirements including:

- Math & Science
- Arts & Humanities
- Social & Behavioral Science
- Lifetime Fitness
- College Orientation
- Computer Technology
- Electives

A total of 64 credit hours are required to receive an Associates Degree.

What do former students have to say about the Jump Start Program?

“It’s a good way to get a head-start on college and gives more options of classes to take in high school. It saved me time and money.” Laura, CHS

“I think it’s great, because it helps us get a little ahead in our future education plans.” Vanessa, EHS

“Until I heard about this, I never thought I’d get to go to college! Wow!” Zack, CHS

“I completed most of my first year of college well ahead of time.” Bryce, SPHS

“The professors were helpful and very informative; they followed their syllabus well.” Elyse, EHS

How can I get involved in the Jump Start Program?

Why get my associates degree before transferring to a 4-year university?

By completing your associates degree before transferring to a 4-year university you...

- **Save tons of $$$!** And if your GPA is 3.6 or higher, 6 hours of tuition is **paid for** each semester—You just owe fees and textbooks!
- Receive automatic junior standing at any of the Regent’s universities (KU, KSU, PSU, FHSU, ESU, WSU);
- Get the general education requirements out of the way at a place where you get personal attention and smaller class size.

What are the **SAVINGS$$?**

Let's compare the costs by semester....

The NCCC Jump Start program can put you on the Fast Track to completing your associates degree by allowing you to earn college credit while you take your high school classes.

If you leave high school with around 24 credit hours, you can finish your associates degree in one year at NCCC.

**That’s right?** As associates degree in one year with the help of the Jump Start program!

How? NCCC and your school district have entered agreement to allow college courses to be taught **at your high school during your regular school day.** In addition to the classes offered at your high school, you may take courses on the NCCC campus or through our online program, if you wish.
