

# AA/AS in Secondary Education

The Secondary Education Curriculum at NCCC provides the first two years of general education courses for most bachelor degree programs in Secondary Education. Secondary Education students major in a field of study and take additional courses for the education emphasis. Students entering a teacher education program at a four-year institution should have a 2.75 GPA in a minimum of 50 college credit hours. You must apply for admittance to most teacher education programs after completing the first two years of college.

## PREREQUISITES

You will need to demonstrate proficiencies in reading, English, and mathematics based on the COMPASS assessment test, ACT or SAT scores, or by taking the recommended/required classes. Some of the courses in this curriculum have specific prerequisites. Prerequisites can be found on the reverse side (Guide to Completing Program Requirements) or in the college catalog.

## GENERAL EDUCATION (GE) COURSES

In order to graduate with a college degree, all students are required to take certain general education courses. These include English composition, speech, wellness, science, art & humanities, mathematics, computer systems, and social & behavioral sciences.

## PROGRAM CORE COURSES

PHYS 171 Physical Science, PHYS 172 Physical Science Lab, CURR 105 Introduction to Teaching CURR106 Introduction to Teaching Lab, PSYC 263 Developmental Psychology

## PROGRAM ELECTIVES

Program electives should be chosen from the major field of study.
