

OTA Application

Video Questions

“What is OT?” video questions:

Go to the American Occupational Therapy Association website www.aota.org. Navigate to the video What is OT? Respond to the following questions (type question and your answer) and submit in writing with your application materials. You may use other resources to support your awareness of occupational therapy. Put your name on your paper.

1. In addition to skilled nursing facilities, what are three more settings where OTAs may provide services? Briefly describe those services in all four settings.
2. Describe **occupations** as this term relates to occupational therapy.
3. How would you explain the concept of **quality of life**?
4. What new insight(s) did you gain from the information presented in the video?
