DEGREE STATUS CHANGE

Purpose:

You are currently in the NCCC computer system as a non-degree seeking student. Non-degree seeking students are not eligible to receive federal financial aid. If you are seeking a degree or certificate, this form (printed on the reverse for your convenience) provides the opportunity to change from non-degree seeking to degree seeking.

What to do if you are seeking a degree?

- ◆ Check "Major" and in the far right column, fill in your major.
- ◆ Check "Degree Status #1"
- ◆ Check "Degree" or "Certificate", and in the far right column fill in your degree or certificate intention.
- ◆ You may also change other personal information by using this form. Put the corresponding former information in the left column and the new information to the right.
- ◆ Return this form to the NCCC Registration office.

For questions about changing your information or this form please contact the Registration Office at your preferred location: Chanute, 620.432.0409 or Ottawa, 785.248.2809, or registration@neosho.edu.
