Health Insurance

The College will pay for single membership level health insurance coverage \$2,500 deductible for each full-time employee. The health insurance provider is Blue Cross and Blue Shield of Kansas. All full-time employees are required to participate in the college sponsored group health insurance plan at least at the single membership level unless health insurance coverage is maintained by the employee through a qualified group health insurance plan. A qualified group health plan is defined as: a) health coverage that is offered by an employer unit to all full time employees of that organization; and b) to qualify as an employer unit, the group must be formed for purposes other than obtaining insurance; and c) there must be employer contribution and payroll deduction for premiums paid by the employee.

A full-time employee that is covered by a qualified group health insurance plan may elect to receive \$100.00 per month in lieu of the insurance, which can only be used to participate in the College's I.R.S. Section 125 Cafeteria Plan.

Any full-time employee who is enrolled in the NCCC Group health insurance plan may, at the employee's expense, enroll a spouse and eligible dependent children, subject to the same conditions and limitations that apply to the person enrolled in accordance with the terms of the group health insurance plan. Currently the College contributes an additional amount per month towards health insurance costs for coverage beyond the single plan. The value of the insurance package is between \$6,162 to \$9,822 depending on your personal situation.

Four options are available with deductibles of \$1,500, \$2,500, and \$3,500 and \$5,000.

The health insurance plan covers prescription drugs. Employee costs vary from \$15 for generic drugs, \$50 for formulary drugs and \$75 for non-formulary drugs.

Dental Insurance

Dental Insurance through Blue Cross Blue Shield is paid for all full-time employees at the single membership level. Fulltime employees may enroll family members at their own expense.
