

Position Announcement

Adjunct Instructor – Physics Neosho County Community College – Ottawa Campus

POSSIBLE COURSE ASSIGNMENTS: PHYS 100 Introduction to College Physics 1 and
PHYS 130 Introduction to College Physics 1 Laboratory

Neosho County Community College welcomes applicants for the position of Adjunct Instructor – Physics to teach Introduction to College Physics 1 lecture and lab at the Ottawa Campus. The schedule for these classes have not yet been set. Contact Dr. Steve Yuza (620.432.0423 or syuza@neosho.edu) for more details.

Minimum Qualifications: Master's degree in field preferred or master's degree with 18 graduate hours in field required. Previous successful college level teaching experience preferred.

Adjunct faculty may be assigned to teach up to 10 hours a semester, including collateral assignments in appropriately certified areas of interest. Courses may be scheduled anytime during the academic day or evening depending on adjunct instructor's and/or college schedule. Future teaching assignment may include the option of hybrid, virtual, or online classes, depending on the needs of the college and the interest and/or experience of the instructor.

Starting Date: Beginning Fall Semester 2022, renewable each semester as needed.

Application Deadline: Review of applications and interviews of qualified candidates will begin immediately and continue until position is filled.

To Apply: Mail or electronically submit your employment application (found on the college website), cover letter, resume, five person reference list (include email addresses when possible), and unofficial transcript(s) to:
