## AMERICORPS SENIORS

We are an AmeriCorps Seniors grantee, receiving funds through the RSVP, a federal grant program.

In our four county region, our 200 volunteers serve assisting in food banks, providing information about opioid abuse prevention, recruiting volunteers for blood drives, providing referrals to veterans, greeting students coming to school, reading to children, and helping at community events with non-profit agencies.

## What are the requirements?

Volunteers must be 55 years of age and older to benefit from the services of RSVP. There are no restrictions based on level of education, work history, income or experience.

RSVP volunteers are eligible for no-cost personal liability, accident and excess automobile liability insurance. ## How do I enroll in RSVP?

- If you know of a volunteer station that partners with NCCC RSVP that you'd like to volunteer for, ask the manager for an RSVP Volunteer Registration Form to enroll.
- If you want to volunteer in the community and aren't sure where, you can contact the RSVP office for a referral to a volunteer station in one of our four counties.
- Complete the RSVP Registration Form. Be sure to provide your birthdate so we can prove you're 55+ and the contact info for a relative so you can be enrolled in the excess liability insurance coverage.
- Monthly reporting of hours: Most volunteer station managers submit volunteer hours, but if you are serving individually, you might be asked to submit hours via email or a self-stamped envelope we'll provide.

**Thank you for  
volunteering!**
