Total General Education Hours _____

Total Elective Hours _____

Total towards graduation _____

Degree Requirements

- Successful completion of sixty-four (64) semester credit hours.
- Cumulative GPA of 2.0, and 128 grade points.
- CSIS 130 Introduction to Computer Information Systems (3 hrs.) will satisfy the computer literacy requirement.
- Remedial and developmental courses (those with course numbers lower than 100) will NOT count toward the sixty-four (64) hours.
- Pre-Composition (ENGL 100) will count up to three (3) hours of elective credits.
- Reading in the Disciplines (ENGL 121) will count up to three (3) hours of elective credits.
- If a student receives up to four (4) hours credit for Intermediate Algebra (MATH 112) and also successfully completes College Algebra Workshop (MATH 110), the student will receive three (3) hours for College Algebra and the remaining 2 hrs. will count as electives.
- To be eligible for graduation, students must have earned at least eighteen (18) credit hours from NCCC.
- A transfer course for which a grade of D or F was earned will not be counted toward the completion of degree requirements. This policy only pertains to transferred courses, not courses taken at NCCC.
- Pre-and post-assessments are required at NCCC for select courses and programs
- Must clear all holds and obligations to NCCC
