CAMPUS RESOURCES

Academic Advising
Director of Academic Advising & Counseling, CLC, 620-432-0311; Director of the Teaching and Learning Center, Ottawa Campus, 785-248-2803
Your academic advisor is an important person during your time at NCCC. Whether you plan to enter the workforce after graduation or if you plan to transfer to a college or university, your academic advisor can help you with these important transitions. If you have declared a major, you will be assigned an advisor in that academic area. If you have not yet decided on an academic major, your advisor can assist you in exploring career options. To find out your advisor assignment, to change advisors, or to change your major, see the Director of Academic Advising & Counseling located in the CLC on the Chanute Campus or the Director of the Teaching and Learning Center on the Ottawa Campus.

Athletics
Athletic Director Riann Mullis, NeoKan Hall, 620-432-0397
Intercollegiate athletics are organized at NCCC as an integral part of the curriculum. Learning experiences are involved in athletics at NCCC in team sports as well as individual sports. Some of the learning experiences are: adjusting to team members, living and working with groups, achieving goals through groups, conforming to rules and regulations, striving for excellence, playing to win, and functioning to the best of one’s ability. The philosophy of athletics developed at NCCC has been a cooperative effort of the Board of Trustees, administration, athletic director, and coaches.

NCCC is a member of the Kansas Jayhawk Community College Conference (KJCCC). Other members of this Conference are Allen County, Barton County, Butler County, Cloud County, Coffeyville, Colby, Cowley County, Dodge City, Ft. Scott, Garden City, Hesston, Highland, Hutchinson, Independence, Johnson County, Kansas City, Labette, Northwest Kansas Technical, Pratt, and Seward County. Membership allows NCCC to maintain a regular Intercollegiate athletic schedule in baseball, men’s and women’s basketball, men’s and women’s cross country, men’s and women’s soccer, softball, men’s and women’s track, volleyball, and wrestling. All athletes on any intercollegiate athletic team must meet the requirements set forth by the conference and the National Junior College Athletic Association (NJCAA). The KJCCC, as well as the NJCAA, is organized for the purpose of controlling, maintaining, and promoting intercollegiate athletics as a vital part of the curriculum of the member Colleges.

Concern About a Class
If you have concerns regarding course instruction or classroom management, the appropriate person to approach is your instructor. You should try to work out any course or classroom concerns with them first. If you are unable to resolve your concern with your instructor, you should then contact the appropriate division chair or dean who is the direct supervisor of your instructor. If you are not certain which division your class falls under, any of the deans and division chairs listed here can direct you to the appropriate person. Contact numbers: Liberal Arts, Kevin Blackwell, 785-248-2801; Applied Sciences, Luka Kapkiai, 620-432-0360; Outreach & Workforce Development, Brenda Krumm, 620-432-0364; Online, Marie Gardner, 785-248-2798; Nursing, see Nursing Handbook for chain of command.

The procedure to follow for final grade appeals is described on page 20 of this Handbook. You may appeal your final grade in a class to the Vice President for Student Learning if you feel your grade falls under one of the four grounds for grade appeal. Grades on individual assignments are not appealable to the VPSL, only final grades; however, you may discuss your grades on individual assignments directly with your instructor if you have a concern.

ACADEMIC POLICIES AND PROCEDURES

Academic Honesty
Violations of the Academic Honesty policy include academic dishonesty, which is behavior in which a deliberate means is employed to gain undeserved intellectual credit or advantage, either for oneself or another, or which is disruptive of a course of study. Some examples of academic dishonesty are:

1) Plagiarism: Intentionally using the printed/published data, distinctive ideas, or language of someone else without specifically acknowledging the original source, for example, copying another student’s paper, creative work, article, or computer work and submitting it as one’s own original work is not allowed. On the other hand, the use of
“common knowledge” or of ideas that are not distinctive to a single source does not require acknowledgement. Subject to the foregoing, the particular circumstances under which acknowledgment is required may vary among the different disciplines, which make up the College; in addition, the manner or style used to acknowledge a source will vary among disciplines. In a particular course, students must follow the acknowledgement/citation customs and standards of the discipline offering the course and acknowledge sources in the manner expected by that discipline.

2) Unauthorized collaboration on out-of-class projects: Students may not present work as individual when, in fact, the work was done by/or with other students.

3) Cheating on exams: This is defined as the unauthorized or inappropriate use of information about the exam (questions/answers) and/or the taking of an exam with the assistance of unauthorized materials such as notes, textbooks, crib sheets, and/or any electronic means such as cell phones. It is the responsibility of each instructor to inform students which information aids, if any, may be used on exams.

4) Unauthorized access to exams in advance of the examination: Students who in any unauthorized manner obtain exams in advance of the date and hour of the examination are committing an act of academic dishonesty. Unauthorized access to exams does not include obtaining copies of exams given in previous semesters and returned to students, but it does include a sharing of information about an unreturned exam between a student in an earlier section of a class and a student in a later section.

5) Aiding and/or abetting an academically dishonest undertaking: A student is responsible for ensuring that other students do not misuse his/her work. Students are required to protect the integrity of their own work by, for example, not allowing, knowingly or through carelessness, another student to plagiarize a term paper or copy answers to an exam.

Responsibility for Academic Honesty: The fundamental responsibility for the maintenance of the standards of honesty rests upon the student. It is each student’s responsibility to be familiar with College policy on academic honesty and to uphold the standards at all times in all situations. Faculty members are responsible for clarification to their classes of those standards of honesty for class assignments or projects where such standards may be unclear or when such standards vary from the accepted norm. The Faculty is expected to take reasonable precautions to protect academic honesty.

Consequences of Academic Honesty Violations: Incidents of academic honesty violation in the classroom will be the responsibility of the individual instructor. Upon discovery of such violations, the instructor will have a private meeting with the student to inform him/her of the situation or notify him/her by email. The consequences of violation of the Academic Honesty Policy are at the discretion of the instructor and can range from redoing the assignment for partial credit to course dismissal, to the receiving a grade of “XF” for the course. A grade of “XF” indicates the student failed the course due to violations of the Academic Honesty Policy and remains on the permanent transcript unless removed by passing a course in ethics and integrity. All actions taken by the instructor will be documented by the instructor and reported to the following:
• Instructor’s direct supervisor (appropriate division chair, director or direct supervisor)
• Appropriate Dean as applicable (Dean for the Ottawa & Online Campuses, Dean of Outreach and Workforce Development)
• Vice President for Student Learning
• Dean of Student Services

A copy of the documentation will be placed on file with the Dean of Student Services. If the student does not agree with the actions taken by the instructor, he/she may utilize the Academic Honesty Appeal Procedure found in this handbook or the NCCC College Catalog. Please note the timeline of this type of appeal, including the grade of XF, is two working days from the notification.

Records of acts of misconduct will be kept on file by NCCC. In cases of serious violations of academic honesty or multiple violations of the policy, the Dean of Student Services, in conjunction with the Dean for the Ottawa and Online Campus, or the Dean for Outreach and Workforce Development when applicable may require a meeting with the student to determine what action needs to be taken. Actions may range from a warning to expulsion from the College.

Academic Appeals
A. Final Grades
Final grades are based only on academic standards and the instructor’s evaluation of how well a student achieved those standards. Final grades shall be based upon written grading criteria given to the student at the beginning of each course. Each instructor is required to issue a syllabus for the course the first class session each semester outlining the requirements for the course and the grading criteria to be used in the course. Only final grades given at the conclusion of the course may be appealed. Grounds for Final Grade appeals include:
1. Failure of the instructor to follow the written criteria given to the student at the beginning of the course (or failure of the instructor to provide written criteria as required).
2. Alleged errors in the mathematical calculation of grades.
3. Alleged errors in recording the grade on the student’s transcript.
4. Non-academic issues such as attendance (i.e. if a student completed the work and would otherwise have been entitled to a grade acceptable to the student, but did not receive the grade due to poor attendance, poor class participation, discrimination, etc.).
The student must begin the final grade appeal process within thirty (30) days from the conclusion of the course. Each final grade being questioned must be appealed separately.

B. Academic Honesty
In the case of an academic honesty violation, (as defined in the Code of Student Conduct and Discipline) the student must begin the appeal process within two (2) working days from the date disciplinary action was initiated by the faculty member or other College official. This includes the disciplinary action of an XF.

C. Assignments/ Test Grades
Assignments/grades cannot be appealed. Once the course is completed the student may use the final grade appeal process listed in this handbook.
D. Appeal Procedure
A student begins the appeal process by completing the Academic Appeal Form available in the office of the Chief Academic Officer and then:
1. To initiate a grade appeal, confer with the appropriate course instructor first. If the problem cannot be resolved, the student may continue the appeal process by making an appointment with the Chief Academic Officer.
2. For an academic honesty appeal, including appeal of an XF grade, meeting with the course instructor is not required, and the student shall make an appointment with the Chief Academic Officer.
It rests with the Chief Academic Officer’s discretion to investigate and determine the basis for the appeal and then either resolve it or refer it to an ad hoc committee appointed by the Chief Academic Officer or by the President of the College. No further appeal by the student is allowed.

**Proscribed Conduct; Scope**

Disciplinary action for violations of the Code of Student Conduct and Discipline is generally intended for application to conduct which occurs on College premises or at College functions. The College expects that each student, regardless of place of residence, will observe all federal, state and applicable local laws both on and off campus. Any student who violates any provision of those laws and/or the Code of Student Conduct and Discipline is subject to disciplinary action, notwithstanding action taken by civil authorities on account of the violation. The standard of review in all hearings is by preponderance or greater weight of the credible evidence. The Code of Student Conduct is not a contract and serves only as guidance for the fulfillment of acceptable and fair procedures.

**Interpretation and Revision**

A. Any question of interpretation regarding the Code of Conduct shall be referred to the Chief Student Affairs Officer or his or her designee for final determination.

B. The Code of Conduct shall be reviewed every year under the direction of the Chief Student Affairs Officer and approved by the President.
Categories of Misconduct

I. Disruptive Behavior
This section applies to behavior that persistently or grossly interferes with academic and administrative activities on campus. Ordinarily, such behavior actively hampers the ability of other students to learn and of instructors to teach. The following is a specific, although not exhaustive, list of disruptive behaviors that commonly result in the administrative position of discipline:

1) Persistent or gross acts of willful disobedience or defiance toward College personnel.

2) Interference with the normal operations of the College (i.e., disruption of teaching and administrative functions, disciplinary procedures, pedestrian or vehicular traffic, or other College activities, including its public service functions).

3) Use of personal portable amplification equipment (e.g., iPods® and MP3 players) in a manner that disturbs the privacy of other individuals and/or the instructional program of the College.

4) Physical abuse, physical assault (fighting), verbal abuse, threats, intimidation, harassment, coercion, and/or other conduct which threatens or endangers the health or safety of any person (including any such action that takes place at an event sponsored or supervised by the College). 6) Hazing.
NCCC’s Hazing Policy states: NCCC's mission is to enrich the lives of our students. Promoting, permitting, or participating in hazing is prohibited for any NCCC group, club, or organization. NCCC defines hazing as an act which could be seen by a reasonable person as endangering the mental or physical health or safety of a student (including discomfort and/or embarrassment), or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in any College group or organization. Examples of hazing activities include but are not limited to:

- Attending a skit night or roast where other members are humiliated

9) Possession, manufacture, distribution, use, or illegal sale of any alcoholic beverage, controlled substance, chemical precursor, controlled substance analogues or illegal drugs in any College building, facility, grounds, other property owned by the College, or during any College-sponsored activity or event.

Neosho County Community College provides an online alcohol and drug prevention and intervention course designed to educate students and employees about unlawful possession, use, or distribution of illicit drugs and alcohol.

In meeting with this commitment, the College provides educational opportunities and assistance through support services. NCCC supports and endorses the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act amendments of 1989. As set forth in local, state, and federal laws, and rules and regulations of the College, Neosho County Community College prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol by students in buildings, facilities, grounds, or other property owned and/or controlled by the College or as part of College activities. All students must abide by this policy as a condition of enrollment or employment. Continuance of enrollment following receipt of this policy constitutes acceptance of this policy by the student. This does not apply to the possession and use of controlled substances as part of the care and treatment of a disease or injury.

Local, state and federal laws provide for a variety of legal sanctions for the unlawful possession and distribution of illicit drugs and alcohol. The sanctions include, but are not limited to, incarceration and monetary fines.

If you, a family member, or friend has a substance abuse problem, the most important factor is to GET HELP! There are numerous agencies to assist you with prevention, support or treatment. Some are free of charge. Check with your insurance company about coverage for services. For students with substance abuse issues, NCCC provides free substance abuse counseling services on both campuses. To speak with a licensed counselor, call 620-432-0311. Additional help is available by calling Kansas Alcohol and Drug Abuse Services at 866-645-8216.

**Health Risks:** The following are health risks related to the consumption or use of alcohol and or drugs:

**Alcohol** - short term effects include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain, ulcers, gastritis, malnutrition, delirium tremens and cancer. Alcohol combined with other barbiturates/depressants can prove to be a deadly mixture.
Amphetamines/Stimulants - speed up the nervous system which can cause increased heat and breathing rates, higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleepiness, anxiety, hallucinations, paranoia, depression, convulsions and death due to a stroke or heart failure.

Anabolic Steroids - seriously affect the liver, cardiovascular and reproductive systems. Can cause sterility in males and females, as well as impotency in males.

Barbiturates/Depressants - slows down the central nervous system which can cause decreased heart and breathing rates, lower blood pressure, slowed reactions, confusion, distortion or reality, convulsion, respiratory depression, coma and death. Depressants combined with alcohol can be lethal.

Cocaine/Crack - stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, elevated blood pressure, insomnia, loss of appetite, hallucinations, paranoia, seizures, and death due to cardiac arrest or respiratory failure.

Hallucinogens - interrupts the functions of the part of the brain which controls the intellect and instincts. May result in the self-inflicted injuries, impaired coordination, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

Cannabis - impairs short-term memory, comprehension, concentration, coordination, and motivation. May also cause paranoia and psychosis. Marijuana smoke contains more cancer causing agents than tobacco smoke.

Narcotics - overdose may result in convulsion, coma, and death. Using contaminated syringes to inject such drugs may result in AIDS.

Tobacco/Nicotine – increased risk of emphysema; chronic bronchitis; and lung, larynx, esophagus, bladder, pancreas and kidney cancers

1. “Illicit drug use” is defined as the use of drugs and the abuse of other drugs and alcohol, including anabolic steroids.
2. Cocaine, marijuana, opiates, amphetamines, and other drug or substance as set forth in Section 202 of the Controlled Substance Act (21 U.S.C., Sec 812).
3. Cocaine, marijuana, opiates, amphetamines, and other drug or substance as set forth in Schedules I through IV of the Uniform Controlled Dangerous Substances Act, 63.

Note: Under College regulations, no alcoholic beverages are allowed on College property, no matter what your age.

10) Unnecessary or unauthorized internet usage.

According to NCCC’s Computer Usage and Internet Policy, this College provides access to the vast information resources of the Internet to students, faculty and staff in their educational endeavors. The facilities that provide access represent a considerable commitment of resources for telecommunications, networking, software, storage, etc. This Internet usage
policy is designed to help you understand our expectations for the use of those resources in the particular conditions of the Internet, and to help you use those resources wisely. While we’ve set forth explicit requirements for Internet usage below, we’d like to start by describing our Internet usage philosophy.

First and foremost the Internet for this College is an educational tool, provided to you at significant cost. That means we expect you to use your Internet access primarily for educationally related purposes, i.e., to communicate with students, other College personnel and colleagues, to research relevant topics and obtain useful educational information (except as outlined below). We insist that you conduct yourself honestly and appropriately on the Internet, and respect the copyrights, software licensing rules, property rights, privacy and prerogatives of others, just as you would in any other business dealings. To be absolutely clear on this point, all existing College policies apply to your conduct on the Internet, especially (but not exclusively) those that deal with intellectual property protection, privacy, misuse of College resources, sexual harassment, information and data security, and confidentiality.

Unnecessary or unauthorized Internet usage causes network and server congestion. It slows other users, takes away from work time, consumes supplies, and ties up printers and other shared resources. Unlawful Internet usage may also garner negative publicity for the College and expose the College to significant legal liabilities.

The chats, newsgroups and e-mail on the Internet give each individual Internet user an immense and unprecedented reach to promote the interests of the College. Because of that power, we must take special care to maintain the clarity, consistency and integrity of the mission and objectives of the College. Anything any one employee writes in the course of acting for the College on the Internet could be taken as representing the College’s educational posture. That is why we expect you to forego a measure of your individual freedom when you participate in chats or newsgroups on College time, as outlined below.

While our direct connection to the Internet offers a cornucopia of potential benefits, it can also open the door to some significant risks to our data and systems if we do not follow appropriate security discipline. As presented in greater detail below, that may mean preventing machines with sensitive data or applications from connecting to the Internet entirely, or it may mean that certain users must be prevented from using certain Internet features like file transfers. The overriding principle is that security is to be everyone’s first concern. College employees and students can be held accountable for any breaches of security or confidentiality.

Certain terms in this policy should be understood expansively to include related concepts. “College” refers to Neosho County Community College. The Dean of Operations serves as the “CHIEF INFORMATION OFFICER” or “CIO” for the College. “College Network” refers to NCCC computing resources including but not limited to computers, software and information at all NCCC campuses, outreach sites and the virtual College, whether or not owned by NCCC. It shall also refer to any NCCC-owned computing resource regardless of location. “Internet Access” refers to any use of a password issued by NCCC to access and use what is commonly referred to as the Internet. “Document” covers just about any kind of file that can be read on a computer screen as if it were a printed page, including any files read in an Internet browser, any file meant to be accessed by a word processing or desktop publishing
program or its viewer, or the files prepared for the Adobe Acrobat reader and other electronic publishing tools. "Graphics" includes photographs, pictures, animations, movies, or drawings. "Display" includes monitors, flat-panel active or passive matrix displays, monochrome or color LCDs, projectors, televisions and virtual-reality tools. (The complete Computer Usage and Internet Policy can be found online or in the Technology Services office located in Rowland Hall).

11) Conduct which is disorderly, lewd, or indecent; breach of peace; or aiding, abetting or procuring another person to breach the peace on College premises or at functions sponsored by, or participated in, the College.

12) Failure to comply with the tobacco use policy.

Tobacco Use (smoke-free, not tobacco free) Applicability: This Policy applies to all NCCC students, employees and visitors with respect to use of Tobacco and Smoke Products. “Tobacco and Smoke Products” include, but are not limited to, cigarettes, cigars, chewing tobacco, snuff, electronic or “E” cigarettes, nicotine or chemical vaporizing devices and other forms of chewing or smoking devices as defined by state and federal law. The College supports a tobacco- and smoke-free learning and working environment. Tobacco use, including the use of e-cigarettes, is prohibited within any College vehicle or building, owned, leased, or rented by the College, including all distant campuses, sites, or locations. Use of Smoke Products is prohibited in any College building or property except in the outdoor designated areas. Although not encouraged, use of Tobacco and Smoke Products is permitted in the individual’s vehicle. However, cigarette butts, smokeless tobacco, nicotine cartridges and/or any other types of Tobacco and Smoke Product waste must be disposed of inside the vehicle. Any violation of this Policy may be handled by the appropriate student or employee handbook. The president is charged with developing any additional policies or procedures to carry out this policy.

13) Failure to satisfy College financial obligations.

NCCC’s Passing of Worthless Check Policy states: The intentional passing of worthless checks, or the failure to immediately redeem a worthless check unintentionally passed, shall constitute a sufficient reason for suspension from school.

14) Gambling.

15) Any form of passive or covert behavior may also be regarded as quite disruptive. Examples of passive, yet disruptive, behavior are those students whose poor personal hygiene so seriously offends the sensibilities of classmates and instructors that the classroom becomes an academic environment that is no longer tenable.

The College’s Loitering/Illegal Entry Policy states: Loitering in classrooms, hallways, parking lots and other areas not generally considered to be gathering locations on campus is strictly prohibited. College officials have the right to remove any person or persons found loitering or causing general disturbance on the campus. Any person or persons found in the act of illegal entry, whether to personal property or the property of the College, will be detained and turned over to the proper authorities, and may face fines and/or imprisonment as prescribed by state and local statute. Interference with College officials during the lawful performance of their
duties is a criminal offense as defined by K.S.A 21-5922. The police and/or sheriff’s office will be called to remove such violators.

16) Violation of federal, state or local law on College-premises or at College sponsored or supervised activities.

17) The possession or use of lethal weapons on College premises in strictly prohibited. Lethal weapons include but are not limited to firearms, ammunition, bows/arrows, knives, explosives, and dangerous substances as defined by K.S.A. 72-89a01(h). Any person found in violation may be subject to the provisions of state law, College policy, and the Student Handbook.

For the Conceal and Carry exception to the Weapons Policy, please see the specific parameters as laid out in the Safety and Security section of this Student Handbook.

18) Participation in a campus demonstration which disrupts the normal operation of the College and infringes on the rights of other members of the College community; leading or inciting others to disrupt scheduled and/or normal activities within any campus building or area; intentional obstruction which unreasonably interferes with freedom of movement, either pedestrian or vehicular, on campus.

It is expressly forbidden for any group of students to gather in such a manner as to disturb public speech, do violence to any person or property, disrupt the function of the College, or interfere with its faculty or staff in the performance of their duties or otherwise by such gatherings bring disgrace or disrepute to the College. Any student who encourages or in any way participates in the formation or prolonging of such gatherings could be subject to disciplinary action.

19) Abuse of the Discipline System, including but not limited to:
A. Failure to obey the summons of a College official.
B. Falsification, distortion, or misrepresentation of information to a College official.
C. Disruption or interference with the orderly conduct of a disciplinary hearing.
D. Institution of discipline hearing knowingly without cause.
E. Attempting to discourage an individual’s proper participation in, or use of, the discipline system.
F. Attempting to influence the impartiality of a member of a discipline hearing body prior to, and/or during the course of, the proceeding.
G. Failure to comply with the sanction(s) imposed under the Disciplinary Code of Conduct.
H. Influencing or attempting to influence another person to commit an abuse of the discipline system.
I. Harassment (verbal or physical) and/or intimidation of a member of a hearing body prior to, during, and/or after a disciplinary proceeding.

**Disciplinary Proceedings**

College disciplinary proceedings may be initiated against a student charged with a violation of this Code of Conduct even if the same factual situation is the basis for pending or potential criminal prosecution and/or civil litigation. Proceedings under this Code of Conduct may be carried out prior to, simultaneously with, or following any such separate civil or criminal proceedings.
Charges and Hearings

Disciplinary action may originate with the Chief Student Affairs Officer or in other units of the College, which may initially deal with the alleged misconduct.

Anyone may report any perceived student violation to the Chief Student Affairs Officer or their designee. Forms for this purpose are available online through the NCCC web site.

A faculty member or College official may report any student violation which is not resolvable through an informal process and believes disciplinary action may be warranted. Any such referral to the Chief Student Affairs Officer shall be submitted online through the NCCC web site. Any referral should be submitted as soon as possible after the event takes place, preferably within forty-eight (48) hours.

Sometimes, students are hesitant to offer assistance to others for fear that they may get themselves in trouble. The College pursues a practice of amnesty for students who offer help to others in need. While policy violations cannot be overlooked, the College will provide educational options, rather than punishment, to those who offer their assistance to others in need.

The Chief Student Affairs Officer, or their designee, may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the student(s) and the College official who referred the matter. After the initial investigation, the Chief Student Affairs Officer may issue one or more of the following:

A. Take no action.
B. Take administrative action to counsel, advise, or admonish the student.
C. Forward the grievance to an appropriate administrator/committee.
D. Take disciplinary action against the offending student ranging from warning to suspension or expulsion. The range includes but is not limited to:

1) Warning: A notice in writing to the student that the student is violating or has violated institutional regulations.
2) Probation: A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulations during the probationary period.
3) Loss of Privileges: Denial of specified privileges for a designated period of time.
4) Restitution: Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.
5) Discretionary Sanctions: Work assignments, service to the College or other related discretionary assignments.
6) Student Housing Suspension: Separation of the student from Student Housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
7) Student Housing Expulsion: Permanent separation of the student from Student Housing.
8) College Suspension: Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions or readmission may be specified.
9) Withdrawal: Withdrawal is administrative removal of a student from a class or from the College and may be imposed in instances of unmet financial obligation; for reasons of health; pending the outcome of a competent medical evaluation. The withdrawn student may also be barred from re-enrollment until such time as specific conditions have been met.
10) Expulsion: Permanent severance from NCCC.
**Interim Suspension**

In certain circumstances, the President or the President’s designee, or Chief Student Affairs Officer may impose a College or residence hall suspension prior to the hearing before the Student Appeals Committee. Interim suspension may be imposed:

1) To ensure the safety and well-being of members of the College community or preservation of College property;  
2) To ensure the student’s own physical or emotional safety and well-being; or  
3) If the student poses a threat of disruption or interference with the normal operations of the College.

During the interim suspension, students may be denied access to the residence halls and/or to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible as the President or the President’s designee, or Chief Student Affairs Officer may determine to be appropriate.

**Student Grievance Procedure**

This Student Grievance Procedure does not apply and may not be used for grade appeals, sexual misconduct, or discrimination complaints as defined in the NCCC Equal Opportunity, Harassment and Discrimination Policy, or discipline by the Mary Grimes School of Nursing, Health Information Technology, Surgical Technology, each of which are governed by their own separate policies and procedures.

Any student otherwise affected by the discipline for violations of this Code of Conduct administered by the Chief Student Affairs Officer, or other College official, may file (with the Chief Student Affairs Officer’s Office) a written request for a hearing before the Student Appeals Committee within two (2) working days from the date disciplinary action was initiated by the Chief Student Affairs Officer or other College official. The request must specify the following: 1) Name, current address and telephone number; 2) Description, date(s) and place(s) of alleged act(s); (3) Date and by whom discipline was levied; (4) The disciplinary penalty assigned; (5) Circumstances which s/he feels merit review; (6) Signature and date. Upon receipt of the request for an appeal hearing, the Chief Student Affairs Officer will schedule a hearing, and notify the student requesting the appeal, of the date and time of the scheduled hearing. At the same time, the student will be informed as to the procedure used at the hearing and the student’s right to friendly counsel.

**Hearing Procedure**

A time shall be set for a hearing, not less than two (2) nor more than ten (10) calendar days after the student has been notified. Maximum time limited for scheduling of hearings may be extended at the discretion of the Chief Student Affairs Officer.  
1. A quorum of the committee shall be present during the course of the hearing; the Chair of the committee will be responsible for the written summary of the hearing.  
2. The student accused of misconduct and requesting the hearing is expected to attend the hearing. Failure to attend, in the discretion of the Student Appeals Committee, may result in consideration of the matter with the available information and a determination of misconduct penalties, if any.
3. The chair will open the meeting by introducing the committee members and asking each party if there is an objection to a member. The objection, if any, shall provide a factual basis for the request that a member should not serve. The chair will decide whether to remove the member based on the objection. In such case, a replacement will be chosen by the chair if a quorum is not otherwise present to hear the case.

4. The chair will then advise the student of the Committee’s procedures and his/her right to make a statement, call and question witnesses, and have an advisor of his/her own choosing present. The advisor can be a member of the faculty, a parent, an attorney, or other individual. However, only the student may speak and ask questions on his/her own behalf.

5. The Student Appeals Committee may seek the advice of the College attorney at any time.

6. The Committee may in its sole discretion temporarily stay the hearing at any time to summon crucial witnesses, if necessary, to effectuate justice.

7. The chair shall review, in the presence of the student and the Chief Student Affairs Officer, the allegations against the student for the matter under review.

8. The chair shall then call upon the Chief Student Affairs Officer for a formal statement and questioning by members of the Committee and the student.

9. The chair shall then call upon the student for a formal statement and questioning by committee members and the Chief Student Affairs Officer.

10. The chair shall then proceed to ask the Chief Student Affairs Officer if he/she cares to introduce evidence or witnesses, in which event the student and the Chief Student Affairs Officer, as well as members of the committee, shall have the right to question them. Upon the conclusion of questioning, each witness shall leave the meeting room. In like manner, the chair shall ask the student if he/she cares to introduce witnesses; and, if so, like procedure shall be followed. Normally, witnesses shall only be present in the hearing during their testimony.

11. After hearing all witnesses, the chair shall ask for a concluding statement first from the student and then from the Chief Student Affairs Officer, if they desire to make one. No further questions should be asked during the closing statements.

12. Previous discipline records of the student may be used in any hearing.

13. Legal rules of evidence do not apply to hearings before the Committee. The standard of review is by a preponderance of the credible evidence.

14. Following the concluding statements, if offered, the chair shall request that everyone other than him/herself and the committee leave the room. The chair shall preside over deliberations and may vote in case of a tie.

15. In the event a majority decision cannot be reached, the case may be dismissed or the Chief Student Affairs Officer may request that a second Committee be formed to rehear the case.

16. Upon the determination of whether a violation has occurred, the Committee shall either dismiss the disciplinary matter or deliberate the misconduct penalties, whichever is appropriate. If misconduct penalties are to be decided, the Committee shall consider any penalties recommended by the Chief Student Affairs Officer and may affirm, modify, or reject such penalties.

17. When the committee’s deliberations are concluded, the student shall be notified in writing within two working days by the chair of the Committee’s decision.

18. The student’s written request for review, the written statement of the Chief Student Affairs Officer’s position, the committee’s decision, and the written summary of the hearing, shall, upon completion of the hearing, be made a part of the student’s confidential file in the Chief Student Affairs Officer’s office.
Appeals to the President

A decision reached by the committee may be appealed by the accused student or referring College official to the President of the College, or his/her designee, within five (5) working days of the decision. The appellant must present a written statement of the reason(s) for the appeal. The President of the College (or his/her designee) will review the committee’s determination only to see whether there was evidence before a committee which supported the result reached. The President is not bound by formal rules of hearings in his/her investigation or appraisal and may refuse to review an appeal s/he believes to be without merit. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the record of the initial hearing and supporting documents for one or more of the following purposes:

A. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party reasonable opportunity to prepare and present evidence that the Code of Conduct was violated, and giving the accused student a reasonable opportunity to prepare and present a rebuttal of those allegations.

B. To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether details in the case were sufficient to establish that a violation of the Code of Conduct occurred.

C. To determine whether the sanction(s) imposed were appropriate for the violation of the Code of Conduct which the student was found to have committed.

D. To consider new evidence, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appearing at the time of the hearing.

Upon review of the case, the President shall:
1) Sustain the original disciplinary action; or
2) Adjust the sanction, or
3) Remand the case to the original committee and Chief Student Affairs Officer for re-opening of the hearing to allow reconsideration of the original determination and/or sanction(s), or
4) Dismiss the case.

The decision of the President shall be “final and binding.”

In cases involving appeals by students accused of violating the Code of Conduct, review of the sanction by the President of the College may not result in more severe sanctions for the accused student.

II. Sexual Harassment

“Sexual Harassment” is a broad term encompassing non-consensual or unwelcome sexual advances, sexual violence, dating violence, domestic violence, and stalking.

NCCC is committed to providing a workplace and educational environment, as well as other benefits, programs, and activities, that are free from discrimination and harassment based on a protected category, and retaliation for engaging in a protected activity. Sometimes discrimination involves exclusion from or different treatment in activities, such as admission,
athletics, or employment. At other times, discrimination takes the form of harassment or, in the case of sex-based discrimination, it can encompass sexual harassment, sexual assault, stalking, sexual exploitation, dating violence, or domestic violence. According to NCCC’s Consent Policy, consent is knowing, voluntary, and clear permission by word or action to engage in mutually agreed upon sexual activity. Since individuals may experience the same interaction in different ways, it is the responsibility of each party to make certain that the other has consented each time from beginning to end while engaging in the activity. For consent to be valid, there must be a clear expression in words or actions that the other individual consented to that specific sexual conduct. Consent can be withdrawn at any time once given, as long as the withdrawal is clearly communicated through words or actions.

Consent to some sexual contact (such as kissing or fondling) cannot be presumed to be consent for other sexual activity (such as intercourse). A current or previous dating relationship is not sufficient to constitute consent. The existence of consent is based on the totality of the circumstances, including the context in which the alleged incident occurred and any similar previous patterns that may be evidenced.

A person cannot consent if they are unable to understand what is happening or is disoriented, helpless, asleep or unconscious for any reason, including due to alcohol or other drugs.

If you have been a victim of sexual misconduct:

- Get help immediately. In all probability, you will be in shock and should not be alone. Call a friend, a family member, roommate, or another person to come to your immediate aid.
- Promptly seek medical attention. Do NOT bathe, douche, or change clothes prior to the emergency room examination.
- Contact the police (911). You may request school authorities or another support person to assist you. Reporting can help police identify and apprehend the assailant. Reporting may also help protect other potential victims. There are many options for reporting and you are not obligated to go through the court process.
- If requested, NCCC will change a victim’s academic situation after an alleged sex offense, including changes in course schedule, if those changes are requested by the victim and are reasonably available. A victim may also request that directory information be withheld from anyone excluding College officials, including name, current address and telephone number, email address, date of birth, program of study, enrollment status, country of citizenship, participation in student clubs, dates of attendance, diplomas or degrees awarded and the most recent educational institution attended by the student other than NCCC.

Remember you are not responsible for the assault. You never lose the right to say “no” under any circumstances. You are not alone if you’ve been forced or coerced into sexual activity against your will. Advocates are available who care and understand. It’s never too late to seek help.

The Vice President for Student Learning has been designated as the Title IX compliance officer responsible to coordinate the efforts of the College to comply with and carry out its responsibilities under The Campus Sexual Violence Elimination Act, including any investigation of any complaint communicated to NCCC alleging its noncompliance with this Act or alleging any actions which should be prohibited by this Act. The compliance officer may
be contacted by mail at NCCC, 800 West 14th Street, Chanute, Kansas 66720 or by telephone at (620) 432-0302.

**Reporting**

Reports of sexual misconduct are acted upon promptly while every effort is made by the College to preserve the privacy of reports. Additionally, all employees of the College, except for the on-campus licensed professional counselor, are designated as mandated reporters and will share a report with the Title IX Coordinator promptly. Specific ways to report sexual misconduct can be found in the [Sexual Harassment Policy](#).

**Investigation**

Upon notice to the Title IX Coordinator, the resolution process involves a prompt preliminary inquiry to determine if there is reasonable cause to believe the Sexual Harassment Policy has been violated. This inquiry normally takes one to five business days. If the person impacted wishes to make a formal complaint, the College will initiate a confidential investigation that is thorough, reliable, impartial, prompt, and fair. The investigation and the subsequent resolution process determines whether the Sexual Harassment Policy has been violated. If so, the College will promptly implement effective remedies designed to end the misconduct, prevent its recurrence, and address its effects. The College aims to complete all formal investigations in a prompt and fair timeframe.

For a detailed explanation of the investigation process, sanctions imposed, and resolution, please refer to the full [Sexual Harassment Policy](#).

**Appeal**

A student may appeal the decision made in a sexual harassment case in writing to the Title IX Coordinator within three business days of the delivery of the Notice of Outcome. Any party may appeal the findings and/or sanctions only under the grounds below:

A. Procedural irregularity that affected the outcome of the matter;

B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

C. The Title IX Coordinator, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondent that affected the outcome of the matter.

For a detailed explanation of the appeal process, please consult the [Sexual Harassment Policy](#).
### WINTER STORMS/SEVERE WEATHER

If, due to an emergency (e.g., inclement weather, power failure, etc.), it becomes necessary to close the College or to delay the normal work schedule, the College will notify the local TV and radio stations as noted below:

If the closing is made due to inclement weather such as snow or ice, College authorities will make the decision to close the campus, usually prior to 5:30 a.m. the day of classes. The decision to close evening classes will be made prior to 3:30 p.m. for both the Chanute and Ottawa campuses. The Vice President or Dean (or their designee) will update the main campus phone number recording. In addition, text message alerts will be sent to all subscribers via Panther TextNet. Social media such as the College Facebook and Twitter feeds will also be updated. In the event the media are not notified due to time constraints, the NCCC calling tree system will be activated. The President, Vice Presidents, Deans, Directors, and Division Chairs will be notified. It is the responsibility of the department heads to notify all of their departmental personnel.

### SAFETY AND SECURITY

**Conceal and Carry**

NCCC is committed to providing a safe and secure environment for all students, employees and patrons of campus services.

In accordance with the Kansas Personal and Family Protection Act, K.S.A. 75-7c01 et. Seq., as amended (the “Act”) and other applicable Federal/State laws, it is permissible and will not be a violation of the NCCC Weapons Policy for the carrying of a concealed Handgun on Campus as permitted and specifically allowed by the Act, and also in accordance with the Concealed Carry Restrictions set forth below.

**Concealed Carry Restrictions:**

*Concealed Carry:* Each individual who lawfully possesses a Handgun on Campus (must meet statutory requirements) shall be wholly and solely responsible for carrying, storing and use that Handgun in a safe manner and in accordance with the law and this Policy. Individuals who carry a Handgun on Campus must carry it concealed on or about their person at all times. “Concealed” means completely hidden from view and does not reveal the Handgun in any way, shape or form. “About” the person means that an individual may
carry a Handgun if it can be carried securely in a suitable carrier, such as a backpack, purse, handbag or other personal carrier designed and intended for the carrying of an individual's personal items. Moreover, the carrier must at all times remain within the exclusive and uninterrupted control of the individual. This includes wearing the carrier with one or more straps consistent with the carrier’s design, carrying or holding the carrier or setting the carrier next to or within the immediate reach/control of the individual. It shall be a violation of this Policy to openly display any lawfully possessed Handgun while on Campus.

Statutory Restrictions: Kansas Statutes define when an individual is permitted to carry a concealed Handgun and impose criminal penalties for violations. Violation of State and Federal Laws, Rules and Regulations applicable to firearms in general and concealed Handguns specifically is a violation of this Policy.

Location Restrictions: Certain Campus buildings and/or Public Areas (as defined at K.S.A. 75-7c20) within Campus buildings can be permanently or temporarily designated to prohibited concealed Handguns. There are no Campus buildings or Public Areas that have been permanently designed to prohibit concealed Handguns with Adequate Security Measures in place. However, the NCCC Vice President for Operations (VPO) may temporarily designate a specific location as prohibiting concealed Handguns and use temporary ASMs as defined and required by law. Appropriate notice will be given whenever this temporary designation is made.

Campus locations leased by NCCC or used for Off-Campus Activity, and owned by an entity that may lawfully exclude or permit firearms at their premises (concealed or otherwise), may chose at their sole discretion to exclude or permit Handguns from their premises, notwithstanding a lease or use arrangement with NCCC. If Handguns are excluded at such locations and would otherwise be permitted by this Policy, individuals are expected to comply with the rules imposed by the location.

Safety Requirements: To reduce the risk of accidental discharge on Campus, when carrying a concealed Handgun on Campus (whether on the person or in a carrier), the concealed Handgun is to be secured in a holster that completely covers the trigger and the entire trigger guard area and that secures an external hammer in an un-cocked position through the use of a strap or by other means. The holster is to have sufficient tension or grip on the Handgun to retain it in the holster even when subjected to unexpected jostling. Handguns with an external safety are to be carried with the safety in the “on” position. Semiautomatic Handguns are to be carried without a chambered round of ammunition and revolvers with the hammer resting on an empty cylinder.

Storage: Handgun storage is not provided by NCCC. Individuals may store a Handgun in the individual’s vehicle when the vehicle is locked and the Handgun is secured in a location within the vehicle that is not visible from outside the vehicle; Handgun storage by any other means is prohibited.

Specifically, it is prohibited for any individual to store a Handgun: i) in a vehicle that is unlocked or when the Handgun is visible from outside the vehicle, ii) in an individual’s office, iii) in an unattended backpack/carrier, iv) in any type of locker, or v) in any other
location and under any circumstances except as specifically permitted by this Policy and by state and federal law.

**Training:** Training on the proper handling of a concealed Handgun is encouraged. All NCCC employees are eligible for NCCC continuing education training reimbursement to supplement training for local, noncredit workshops, which could include a gun safety course (for reimbursement, employees must submit an Application to Staff for Faculty Development). Additionally, NCCC may periodically offer on-campus presentations to students/employees related to safe Handgun practices.

Any report of Weapons on a NCCC Campus will be addressed by local police departments in coordination with NCCC. The lawful carrying of a concealed Handgun should not create concerns on Campus; however, anything other than the lawful carrying of a concealed Handgun has the potential to create confusion and additional risk during police responses.

**Applicability:** This Policy applies to all Neosho County Community College (NCCC or “College”) students, employees and visitors: i) on the NCCC main campus, Ottawa campus, and within locations owned or leased by NCCC that are not part of the NCCC main or Ottawa campuses (collectively, “Campus”), or ii) when attending/participating in or performing College duties at any off-Campus College sponsored or supervised classes, practices, activities or other programs (collectively, “Off-Campus Activity”).

**Enforcement:** Any individual violating this Policy will be subject to appropriate disciplinary action, including but not limited to suspension/expulsion, termination of employment, immediate removal/trespass from the premises and/or arrest. Enforcement of violations of this Policy will be administered by the NCCC Dean of Student Services or Director of Human Resources, as appropriate.

**State and Federal Law:** The foregoing Handgun Exception To Weapons Policy shall be subject to State and Federal Laws, Rules and Regulations as they may be amended or interpreted. If any part of any rule or restriction set forth above is determined to be unenforceable due to any such law, rule, or regulation, it shall not affect the enforceability of the balance of the policy. The office of the Vice President for Operations or designee may from time to time disseminate a summary of Kansas statutory restrictions and definitions which shall thereafter be incorporated in and made a part of this policy.

**Reporting:**

1. **Suspected violations** of this Policy should be reported to the office of the VPO, designee, or **NCCC Safety Officers:**
   * **Call:** 620-432-0301 Chanute campus; 785-248-2798 Ottawa campus
   * **Walk-in:** Operations office, Sanders Hall, Chanute campus only; Dean for the Ottawa and Online Campuses, Ottawa campus only

Homeland Security
NCCC takes the safety and security of its students, employees and the community it serves as its highest priority. When the National Terrorism Advisory System announces a security alert the College will act promptly to notify all constituents.

The National Terrorism Advisory System, or NTAS, replaces the color-coded Homeland Security Advisory System (HSAS). This new system will more effectively communicate information about terrorist threats by providing timely, detailed information to the public, government agencies, first responders, airports and other transportation hubs, and the private sector. It recognizes that Americans all share responsibility for the nation’s security, and should always be aware of the heightened risk of terrorist attack in the United States and what they should do. The Family Educational Rights and Privacy Act of 1974 (FERPA)
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to the student’s education records.

NCCC complies with the Family Rights and Privacy Act of 1974 by using the following policy regarding access to, and protecting the confidentiality of, student records. For more information, call 800-729-6222 (KS only) or 620-432-0302.

Upon request, any student of NCCC will be granted access to and review of any or all records pertaining directly to said student. Access to records will be granted no more than 45 days following such request. If information in these records is found to be inaccurate, misleading, or detrimental to the student, a committee composed of faculty and administrators will hear all cases challenging the content of such records. Such hearings will be scheduled within ten working days of receipt of a written request for said hearing. No personally identifiable records from NCCC will be released to parents, spouse, or others without the expressed, written consent of the student. Within the provisions of the Family Rights and Privacy Act, access will be granted to the following without the consent of the student:

A. School officials, including teachers and administrators, who have a legitimate educational interest;
B. Officials of schools to which the student wishes to transfer;
C. Authorized representatives of the Comptroller General of the United States, the Secretary of Education, or an administrative head of an education agency;
D. In connection with the student’s application, receipt or continued eligibility/status for financial aid; or
E. A court order.

Exceptions to this rule exist within the law. Additional information and guidance may be found at the FPCO’s website. Please review the act for more information.

Should a student owe the College any delinquent amount, official records will not be released to the student or a third party. However, this does not preclude the student from personally reviewing his/her records and challenging any of the information. Financial aid transcripts may be sent at the request of other institutions.
Directory Information

Items defined by the College as “directory information” may be released without a student’s written consent. FERPA permits the College to limit the disclosure of and to use its discretion when choosing whether or not to release directory information to specific parties, for specific purposes, or both. In the exercise of that authority, the College may release directory information to College employees/trustees and on-campus publications designed to promote student achievement or events or otherwise serve to advance the interest and image of the College. Some examples include playbills showing the student’s name in a production, honor roll lists, graduation programs, sports programs, documentaries, etc. In addition, two federal laws require the College to provide military recruiters, upon request, with student names, addresses and telephone listings.

The College designates the following as directory information:

- Student’s name
- Address
- Telephone number
- Email address
- Photograph
- Date and place of birth
- Major fields of study and classification
- Full- or part-time status
- Participation in officially recognized activities
- Weight and height of an athletic team member
- Semesters of attendance
- Degrees, awards and honors received
- Previous educational institutions attended

Students who wish to prevent disclosure of directory information must contact the Registrar’s Office to request their information be excluded from certain College publications.

The student has the right to file a complaint with the US Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name, address and telephone number of the office that administers FERPA is:

Jeanne Clery Act Crime Statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal mandate requiring all institutions of higher education (IHEs) that participate in the federal student financial aid program to disclose information about crime on their campuses and in the surrounding communities. The Clery Act affects virtually all public and private IHEs and is enforced by the U.S. Department of Education. Campuses that fail to
comply with the act can be penalized with large fines and may be suspended from participating in the federal financial aid program.
The Clery Act, formerly known as the Crime Awareness and Campus Security Act, was signed in 1990 and is named after 19-year-old Jeanne Clery who was raped and murdered in her Lehigh University residence hall in 1986. Clery’s parents lobbied Congress to enact the law when they discovered students at Lehigh hadn’t been notified about 38 violent crimes that had occurred on campus in the three years prior to Clery’s murder.

**Crime Definitions**

**Aggravated Assault**
An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**Arson**
Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property, etc.

**Burglary**
The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: Unlawful entry with intent to commit a larceny or a felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

**Dating Violence**
Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship is determined by the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

**Domestic Violence**
A felony or misdemeanor crime of violence (including threats or attempts) committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

**Drug Abuse Violations**
Violations of laws prohibiting the production, distribution and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs.
Hate Crimes
A criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Even though there are many categories of bias, under the Clery Act, only eight categories are reported:

- **Race** – A preformed negative opinion or attitude toward a group of persons who possess common physical characteristics (e.g., color of skin, eyes, and/or hair, facial features, etc.) genetically transmitted by descent and heredity, which distinguish them as a distinct division of humankind (e.g., Asians, Blacks or African Americans, Whites).
- **Religion** – A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or non-existence of a supreme being (e.g., Catholics, Jews, Protestants, atheists).
- **Sexual Orientation** – A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived sexual orientation. Sexual orientation is the term for a person's physical, romantic and/or emotional attraction to members of the same and/or opposite sex (e.g., lesbian, gay, bisexual, and heterosexual).
- **Gender** – A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.
- **Gender Identity** – A preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals.
- **Ethnicity** – A preformed negative opinion or attitude toward a group of persons whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion) and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term "race" in that "race" refers a grouping based mostly upon biological criteria, while "ethnicity" also encompasses additional cultural factors.
- **National Origin** – A preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth.
- **Ancestry** – A preformed negative opinion or attitude toward a group of people based on their common lineage or descent.
- **Disability** – A preformed negative opinion or attitude toward a group of people based on their physical or mental impairments, whether such a disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age, or illness.

Murder and Nonnegligent Manslaughter
The willful (non-negligent) killing of one human being by another.

Manslaughter by Negligence
The killing of another person through gross negligence.

   Incest
   Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

   Statutory Rape
   Nonforcible sexual intercourse with a person who is under the statutory age of consent.

Stalking
Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

Weapon Law Violations
The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.

Crime Reporting Activities
The Clery Act states an institution must report statistics for the three most recent calendar years concerning the occurrence on campus, in or on non-campus buildings or property, and on public property of the following that are reported to local police agencies or to a campus security authority.
Reports of a crime in or on a non-campus building or property or on public property include reported crimes involving NCCC students or staff that occur during NCCC events or activity outside the College premises. If crimes reported in or on non-public buildings or property or on public property, a geographic breakdown of the statistics reported will be provided in the annual Campus Security Report.

The annual statistical information includes crimes reported on the NCCC main campus (1) 800 W. 14th Street, Chanute, KS 66720; and at the main extension location (2) 900 East Logan, Ottawa, KS 66067.

Location Definitions from the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

On-Campus
(1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution’s educational purposes, including residence halls; and
(2) Any building or property that is within or reasonably contiguous to the area identified in paragraph (1), that is owned by the institution but controlled by another person, is frequently used by students and supports institutional purposes (such as a food or retail vendor).

Non-Campus Building or Property
(1) Any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) Any building or property owned or controlled by an institution that is used in direct support of or in relation to the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

Public Property
All public property, including thoroughfares, streets, sidewalks, and parking facilities, that are within the campus or immediately adjacent to and accessible from the campus.

Procedures for Reporting Crimes

All emergency situations involving: (1) a crime in progress, (2) a medical emergency, (3) a fire should be immediately reported to police at 911. All campus phones may be used to dial 9-1-1 at no charge. While on campus, persons should be aware that different telephone systems might require you to dial an outside line before dialing 9-1-1.

As an added security measure, “Blue Light” non-dial outdoor emergency telephones are located at strategic points on campus. These phones are easily identified by the word “Emergency” and their distinctive blue lights. When the button is pushed the caller is in immediate contact with the local police department. In addition to providing voice contact with a public safety dispatcher, the dispatcher is also able to pinpoint the caller’s location. These phones are for emergency use only. These phones are maintained by Technology services and provide communication for reporting emergencies.

To report any non-emergency incident occurring on campus, contact the Dean of Student Services at (620) 212-1153 or the Vice President of Operations at (620) 433-0789.

When calling for either emergency or non-emergency service, be prepared to:
1. Clearly identify yourself.
2. State where you are calling from.
3. State briefly, the nature of your call.
If possible, stay on the line unless otherwise advised by the dispatcher. The dispatcher will summon public safety or the appropriate police, fire and/or medical service.

Members of the College community are strongly encouraged to report all crimes and suspicious activity to the local police department or appropriate police agency in a prompt and timely manner.

Gramm - Leach - Bliley Act (“GLBA”) Policy

Overview: This document summarizes NCCC’s comprehensive written information security policy (the “policy”) mandated by the Federal Trade Commission’s Safeguards Rule and the Gramm-Leach-Bliley Act (GLBA). In particular, this document describes the Program elements pursuant to which the Institution intends to (i) ensure the security and confidentiality of covered records, (ii) protect against any anticipated threats or hazards to the security of such records, and (iii) protect against the unauthorized access or use of such records or information in ways that could result in substantial harm or inconvenience to customers. The
policy incorporates by reference, the College’s existing policies and procedures and is in addition to any College policies and procedures that may be required pursuant to other federal and state laws and regulations, including, without limitation, FERPA.

**Designation of Representatives:** The Institution’s Chief Information Officer is designated as the program officer who shall be responsible for coordinating and overseeing the policy. The chief information officer at NCCC is the Dean of Operations. The program officer may designate representatives of the Institution to oversee and coordinate particular elements of the policy. Any questions regarding the implementation of the program or the interpretation of this document should be directed to the program officer or his or her designees.

**Scope of Policy:** The policy applies to any record containing nonpublic financial information about a student or other third party who has a relationship with the Institution, whether in paper, electronic or other form that is handled or maintained by or on behalf of the Institution or its affiliates. For these purposes, the term nonpublic financial information shall mean any information (i) a student or other third party provides in order to obtain a financial service from the Institution, (ii) about a student or other third party resulting from any transaction with the Institution involving a financial service, or (iii) otherwise obtained about a student or other third party in connection with providing a financial service to that person.

**Elements of the Policy:**

**Risk Identification and Assessment.**

The Institution intends, as part of the policy, to undertake to identify and assess external and internal risks to the security, confidentiality, and integrity of nonpublic financial information that could result in the unauthorized disclosure, misuse, alteration, destruction or other compromise of such information. In implementing the policy, the program officer will establish procedures for identifying and assessing such risks in each relevant area of the Institution’s operations, including:

**Employee training and management.**

The program officer will coordinate with representatives in the Institution’s student/financial services and financial aid offices to evaluate the effectiveness of the Institution’s procedures and practices relating to access to and use of student records, including financial aid information. This evaluation will include assessing the effectiveness of the Institution’s current policies and procedures in this area.

**Information Systems and Information Processing and Disposal.**

The program officer will assess the risks to nonpublic financial information associated with the Institution’s information systems, including network and software design, information processing, and the storage, transmission and disposal of nonpublic financial information. This evaluation will include assessing the Institution’s current policies and procedures relating to Acceptable Use Policy, Information Technology Security Policy, and Records Retention Policy. The program officer will also assess procedures for monitoring potential information security threats associated with software systems and for updating such systems by, among other things, implementing patches or other software fixes designed to deal with known security flaws.

**Detecting, Preventing and Responding to Attacks.**

The program officer will evaluate procedures for and methods of detecting, preventing and responding to attacks or other system failures and existing network access and security policies and procedures, as well as procedures for coordinating responses to network attacks and developing incident response teams and policies.
Designing and Implementing Safeguards.
The risk assessment and analysis described above shall apply to all methods of handling or disposing of nonpublic financial information, whether in electronic, paper or other form. The program officer will, on a regular basis, implement safeguards to control the risks identified through such assessments and to regularly test or otherwise monitor the effectiveness of such safeguards. Such testing and monitoring may be accomplished through existing network monitoring and problem escalation procedures.

Overseeing Service Providers.
The program officer shall coordinate with those responsible for the third party service procurement activities among the Department of Information Technology and other affected departments to raise awareness of, and to institute methods for, selecting and retaining only those service providers that are capable of maintaining appropriate safeguards for nonpublic financial information of students and other third parties to which they will have access.

Adjustments to Program.
The program officer is responsible for evaluating and adjusting the program based on the risk identification and assessment activities undertaken pursuant to the program, as well as any material changes to the Institution’s operations or other circumstances that may have a material impact on the program.

Emergency Action Plan
The following policy functions as a guide only, and the same is subject to change as needed. The Safety and Security Committee will be responsible for the implementation of specific actions under these guidelines which can be found in the Neosho County Community College Emergency Action Plan. The Emergency Action Plan has been designed to provide contingency procedures for Neosho County Community College administrators to follow in the event of campus emergencies. While the plan does not cover every conceivable situation, it does supply the basic administrative guidelines necessary to cope with most campus emergencies.

College policies and procedures herein are expected to be followed by all administrators whose responsibilities and authority cover the operational procedures found in the manual. Any exception to these emergency management procedures must be approved by the appropriate administrators directing and/or coordinating the emergency operations. All proposals for changes to the procedures described must be submitted in writing to the Safety and Security Committee for review. All changes recommended by the committee will be submitted in writing to the President and Executive Committee for evaluation and adoption before approval by the NCCC Board of Trustees.

The Emergency Action Plan is available on the NCCC webpage. Click on Safety and Security at the bottom of the page. The NCCC Emergency Action Plan can be found under the Safety and Security links.
