

## Admissions

---

Although there are no examinations required for general admission, all degree-seeking students and students enrolling in English composition or mathematics courses must provide placement scores from a testing instrument approved by the college. Degree-seeking students without placement scores must take the college's resident placement test.

Official transcripts of all GED or high school work and transcripts of all prior college coursework are required of all degree-seeking students. Transcripts must be sent directly to the student services office at NCCC by the issuing school.

Specific programs may have additional admission requirements. See College Catalog or program for more information. All students intending to complete a certificate or degree program in a vocational or technical program will complete a statement of intent. Those statements of intent will be filed in the student's educational record.
