

Athletic Coach Policy

Each varsity sport will be allowed one head coach and one assistant coach. If the sport recruits 28 or more student athletes (not including student managers), two assistant coaches will be allowed. In the event that the number of student athletes drops below 28 during a semester, the second assistant coach will be terminated within ten working days, unless the President of the College, upon the recommendation of the Athletic Director, determines that continued employment of a second part-time assistant coach for the sport is in the best interests of the College.

A Head Coach shall be a full-time employee unless the employment agreement specifically provides otherwise. The employment contract for an assistant coach shall be a part-time employee contract but may be supplemental to sufficient other part-time non-coaching duties to become eligible for benefits such as health insurance normally accruing to a full time employee as designated in the employment contract. Athletic coaches and athletic support personnel are not teachers or instructors, but may by supplemental contract or specific provisions of their employment contract include compensation and assignment of specific teaching duties.
