

# RECOMMENDED TRANSFER COURSES

## COLLEGE OF EDUCATION NEOSHO COUNTY COMMUNITY COLLEGE 2018-2019 Transfer Guide

It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

### Transfer Students Should Remember

All **Teacher Education** majors and **Athletic Training** majors must submit an application for admission into the programs. For applications and process:  
[www.wichita.edu/education/services/applicationsforms](http://www.wichita.edu/education/services/applicationsforms)

**Athletic Training** is a 4-year, sequenced program. Transfer students seeking to begin as second-year students must complete both the pre-professional and professional phase application requirements. Contact Program Director Rich Bomgardner ([rich.bomgardner@wichita.edu](mailto:rich.bomgardner@wichita.edu)) with questions about beginning as a second-year student. Apply by March 1 in order to have priority consideration for the upcoming fall semester.

Students transferring from a two-year college must complete at least 60 hours of four-year college work including 45 hours of upper-division work in order to qualify for graduation.
