

## Kansas Promise Scholarship Application

The Kansas Promise Scholarship was created during the 2021 Kansas Legislative Session to assist students attending Kansas community colleges, technical colleges, Washburn Institute of Technology and certain private postsecondary educational institutions and enrolled in specified programs of study, generally in the fields of (1) information technology and security, (2) mental and physical health care, (3) advanced manufacturing and building trades, or (4) early childhood education and development. Your college also has one other eligible program area. Talk with your college about other eligible areas of study that may qualify for this scholarship. This scholarship may be used toward tuition, required fees, books, and required program materials. Your educational institution will determine the amount of your Promise Scholarship award based on information from the Free Application for Federal Student Aid (FAFSA) along with other financial aid that you may be receiving.

### To be eligible for the Kansas Promise Scholarship you must:

The PLUS interest rate is 6.284% beginning July 1, 2021 through June 30, 2022.
