COURSE IDENTIFICATION

Course Code/Number: NURS 010

Course Title: Pre-Nursing Math

Division: Applied Science (AS) Liberal Arts (LA) Workforce Development (WD)
 Health Care (HC) Lifetime Learning (LL) Nursing Developmental

Credit Hour(s): Two (2)

Effective Date: Summer 2017

Assessment Goal Per Outcome: 70%

COURSE DESCRIPTION

Pre-nursing math is a two credit hour course. It does not count towards graduation. Pre-nursing math is designed for students who want, need, or are recommended for a "refresher" course that covers fractions and decimals, calculating percentages, and solving ratios and proportions. Also included in nursing math skills are the following: converting between and within the Metric, and English systems of measure.

 - developing effective written communication skills,
 - developing effective oral communication and listening skills.
 4. Think analytically through:
 - utilizing quantitative information in problem solving,
 - utilizing the principles of systematic inquiry,
 - utilizing various information resources including technology for research and data collection.

COURSE OUTCOMES/COMPETENCIES (as Required)

Upon the successful completion of this course the student should be able to:

1. Demonstrate and apply an understanding of real numbers including fractions, decimals, and percentages.
2. Demonstrate and apply an understanding of mathematical problems involving ratios and proportions.
3. Demonstrate and apply an understanding of problems involving the metric system.
4. Demonstrate and apply an understanding of basic algebra concepts.

MINIMUM COURSE CONTENT

The following topics must be included in this course. Additional topics may also be included.

- I. Whole number review
- II. Fractions
 1. Addition
 2. Subtraction
 3. Multiplication
 4. Division
- III. Decimals
 1. Addition
 2. Subtraction
 3. Multiplication

4. Division

IV. Ratio and Proportion

1. Basic ration concepts
2. Setting up and solving proportions
3. Solving word problems using proportions

V. Percent

1. Percent to decimal conversion
2. Decimal to percent conversion
3. Using proportion to solve percent problems

VI. Metric system

1. English and metric conversions

VII. Intro to pre-algebra basics

STUDENT REQUIREMENTS AND METHOD OF EVALUATION

INSTRUCTIONAL METHODS

An informal lecture/discussion presentation of textbook material will be used. Presentations will be enhanced through the use of white board and Elmo system. Students will be responsible to discuss any assigned problems during class. This discussion may utilize written problems, written or oral reports, or white board demonstrations of student abilities during any class session. Students will be responsible for assigned reading in the textbook and may work in groups on some assignments. Students are not allowed to use calculators in this course.

ASSESSMENT OF STUDENT LEARNING

The purpose of assessing student learning at Neosho County Community College is to ensure the educational purposes of the institution are met and appropriate changes are made in program development and classroom instruction to allow for student success. The instructor(s) of this course will determine the methods of assessment most appropriate and complete an assessment report at the end of the course.

Attendance Policy

1. NCCC values interactive learning which promotes student engagement in the learning process. To be actively engaged, the student must be present in the learning environment.
2. Unless students are participating in a school activity or are excused by the instructor, they are expected to attend class. If a student's absences exceed one-eighth of the total course duration, (which equates to one hundred (100) minutes per credit hour in a face-to-face class) the instructor has the right, but is not required, to withdraw a student from the course. Once the student has been dropped for excessive absences, the registrar's office will send a letter to the student, stating that he or she has been dropped. A student may petition the chief academic officer for reinstatement by submitting a letter stating valid reasons for the absences within one week of the registrar's notification. If the student is reinstated into the class, the instructor and the registrar will be notified. Please refer to the Student Handbook/Academic Policies for more information
3. Absences that occur due to students participating in official college activities are excused except in those cases where outside bodies, such as the State Board of Nursing, have requirements for minimum class minutes for each student. Students who are excused will be given reasonable opportunity to make up any missed work or receive substitute assignments from the instructor and should not be penalized for the absence. Proper procedure should be followed in notifying faculty in advance of the student's planned participation in the event. Ultimately it is the student's responsibility to notify the instructor in advance of the planned absence.

ACADEMIC INTEGRITY

NCCC expects every student to demonstrate ethical behavior with regard to academic pursuits. Academic integrity in coursework is a specific requirement. Definitions, examples, and possible consequences for violations of Academic Integrity, as well as the appeals process, can be found in the College Catalog, Student Handbook, and/or Code of Student Conduct and Discipline.

ELECTRONIC DEVICE POLICY

Student cell phones and other personal electronic devices not being used for class activities must not be accessed during class times unless the instructor chooses to waive this policy.

NOTE

Information and statements in this document are subject to change at the discretion of NCCC. Students will be notified of changes and where to find the most current approved documents.

ACCOMMODATIONS

If you are a student with a disability who may need accommodation(s), in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, please notify the Dean of Student Services in the Student Services Office, Sanders Hall, 620-432-0304, on the Chanute Campus, or the Dean for the Ottawa and Online Campuses, 785-248-2798, on the Ottawa Campus as soon as possible. You will need to bring your documentation for review in order to determine reasonable accommodations, and then we can assist you in arranging any necessary accommodations.

NON-DISCRIMINATION POLICY

SEXUAL MISCONDUCT POLICY (TITLE IX)

At NCCC, it is the responsibility of an instructor to help create a safe learning environment in the classroom, including both physical and virtual classrooms. All instructors are considered mandatory reporters at NCCC, therefore any information regarding sexual misconduct that is shared by a student in one-on-one meetings with the instructor must be reported to appropriate personnel at the College. Instructors will keep the information private to the greatest extent possible, but it is not confidential. Generally, climate surveys, classroom writing assignments or discussions, human subjects research, or events such as Take Back the Night events do not provide notice that must be reported to the Coordinator by employees, unless the reporting party clearly indicates that they wish a report to be made.

The following link provides information related to the sexual misconduct policy of NCCC, including resources, reporting options, and student rights. Students are urged to review this policy.
